Our facilities at Austin High School are top-notch and include three gyms, recently refurbished science facilities, and our newly expanded annex with spacious suites for band, orchestra, and choir.

We offer both MTSS (Multi-Tiered Systems of Support) and BARR (Building Assets, Reducing Risks), and we are working to implement both the Packer Profile and Packer Pathways for all learners!

- **The Hormel Institute**, a world-class research institute giving students access to real-life hands-on science,
- and **The MacPhail Center for Music**, which offers music support and lessons to students PK-12.

We are also home to the Austin Area Learning Center (AALC) which allows for on-site credit recovery programming.
